

Racism: Challenging Perceptions Systemic Racism

Thursday, September 3 at 9 p.m.

We explore recent high-profile instances of police brutality, the historic roots of these inequities and how they persist today.

Dismantling Democracy

Tuesdays, September 8, 15, & 22 at 8 p.m.

This 3-part series explores what is happening with democracy in our country and around the globe. Through “man on the street” interviews, talking with national leaders, and a unique visual style, this series explores what has been on people’s minds since the 2016 election.

Van der Valk on Masterpiece

Sundays, beginning September 13 at 9 p.m.

Amsterdam—city of bikes, boats, and bodies. At least, that’s the way steely-eyed cop Piet van der Valk sees his murder-infested beat. Marc Warren stars as the title character in this all-new, three-part series based on Nicolas Freeling’s legendary crime thrillers.
